Welcome address ECOWindS Final Conference

Morten Basse Jensen
CEO, Offshoreenergy.dk

Lowestoft 29.9.2015

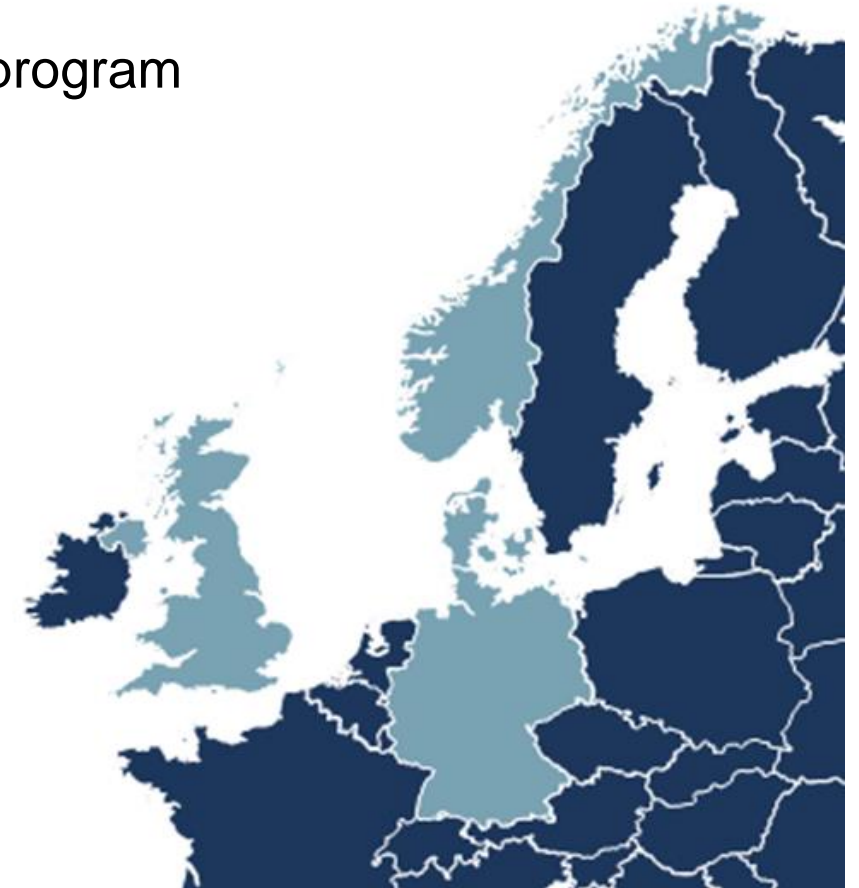

This Project is funded by
the European Union

General information

ECOWindS: **European Cluster for Offshore Wind Servicing**
Funded by: The European Union under the 7th framework program
Project period: 01.11.2012 - 31.10.2015

Project partners:

Offshoreenergy.dk, Lead partner	(Esbjerg, Denmark)
Denmarks Tekniske Universitet	(Copenhagen, Denmark)
NWES Property Services Limited	(Lowestoft, United Kingdom)
Germanwind GmbH	(Bremerhaven, Germany)
Ålesund Kunnskapspark AS	(Ålesund, Norway)
HØGSKOLEN I Ålesund	(Ålesund, Norway)
Nautilus Associates Ltd	(Lowestoft, United Kingdom)

To pave the way for new research and understanding of how the costs of offshore wind servicing can be driven down through research, innovation and cross regional cooperation.

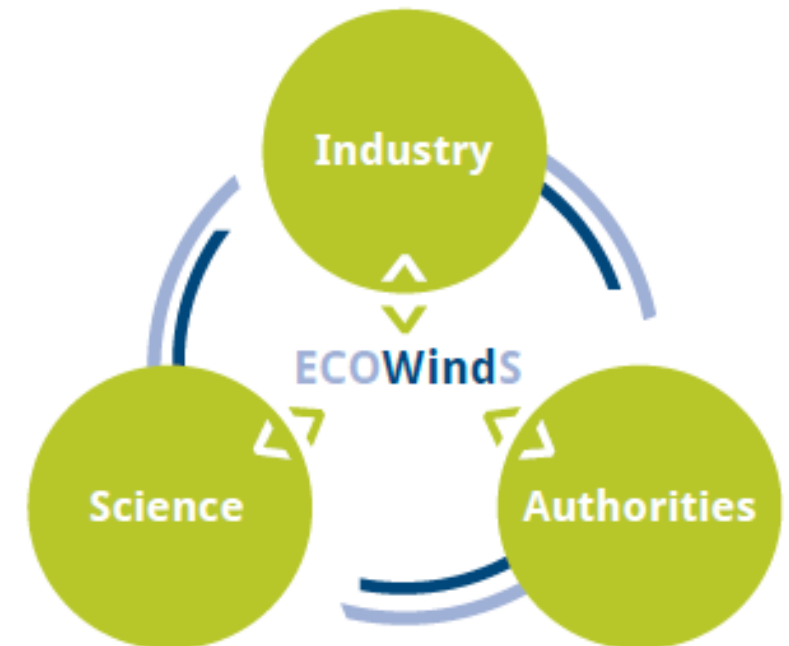

Associated Stakeholders

ECOWindS relies on input from all aspects of the triple helix stakeholders

The triple helix consists of:

- **Science** (Education and Research)
- **Industry** (Industry and Trade Organisations)
- **Administration** (Local & Regional Government)

Goals

Industry, Research and Administration has to work together to achieve:

- Increased competitiveness of the OWS sector in Europe in general and the ECOWindS regions particularly
- Reducing OWS contribution to the cost of offshore wind energy production
- Regional growth and job creation

Final Conference – Two day event

Day one – today:

- **SESSION ONE: Cost Reduction through Innovation in Offshore Wind Servicing**
- **SESSION TWO: ECOWindS the Joint Action Plan & the Importance of EU Collaboration**
- Networking Lunch
- **SESSION THREE: Panel Debate & Open Questions**
- **SESSION FOUR: Knowledge is Power – Innovation & the Challenge of Big Data**
