VIP

Virtual Incubation & Innovation Programme

What is VIP?

Our **Virtual Incubation & Innovation Programme (VIP)** is aimed at helping new and growing businesses with instant access to a professional offices and meeting rooms, business support, finance and much more.

If you have no need for office space but still need to be taken seriously by your clients, then our virtual services could be for you.

Whether your business is a start-up, a growing business, or a multinational corporate, the benefits of virtual tenancy bundled with our leading support functions will help you maintain a professional image at all times as you grow your business.

Our aim is

- To nurture entrepreneurship and business growth;
- accelerate innovation, technology or product development; and
- support the development of sustainable businesses.

VIP business development support will be augmented by unfettered access to modern, efficient and fully serviced workspace.
